

Dear Lawmakers,
Don't you have anything better to do then worry about the radio. Worry about the USA soldiers being killed in Iraq or the pending attacks on the USA. It is our GOD given right to listen to anything that I want to. I pay \$10 a month for radio because you FCC people have ruined the regular radio. So in the nicest way possible, BACK OFF THE AMERICANS AND WORRY ABOUT THE SERIOUS PROBLEMS THAT AFFECT THE UNITED STATES.

Thank you,

Chris Barnes
